APPLICATION GUIDE OF GRADUATE PROGRAMS
FOR INTERNATIONAL STUDENTS
APPLICATIONS

Dear Candidates,

Thank you for your interest in graduate programs of our institute.

Founded in 1982 within Dokuz Eylül University, one of Türkiye's leading research universities, our institute trains science experts and science doctors in order to raise qualified human resources with advanced analytical thinking skills and contemporary knowledge needed for the development of our country and the world community. Our institute;

- With a student-oriented service approach,
- With a rich variety of postgraduate education programs and training conditions that are constantly updated in accordance with the requirements of the age,
- With its experienced and powerful academic staff,
- With the national and international exchange opportunities it offers,
- In addition to education and training, it organizes activities like research, analysis, seminars, symposiums, conferences and such, aiming at individual and academic development,
- With its dedicated academic and administrative personnel,

It aims to provide a qualified postgraduate education environment to its students at national and international levels.

We wish you success in the application and evaluation process, believing that your presence will create synergy in our scientific environment.
